<u>Measure:</u> **Mission statement with defined characteristics will be approved by the Commission on Higher Education on a five-year cycle.**

Mission statements were initially approved in 1998 for all instituilions. For complete measurement details, see Performance Funding Workbook, November 2002 as revised October 2003, pp. II.23-II.27. See http://www.che.sc.gov/AcademicAffairs/Mission_Statement_Policy-CHE_Approved_A-11.pdf for policy for approval of statements. This revised policy was approved by CHE in October 2005.

Since 1998, institutions have submitted revisions to the Commission for review and approval. As of Year 10, all institutions have approved mission statements. Revisions were considered and approved for institutions as noted. Mission statement revisions that have been submitted are considered by the Academic Affairs Committee and Commission. Links to institutional mission statements are indicated below and can also be found on pp. 19 & 20 of the CHE publication "A Closer Look at Public Higher Education in South Carolina," January 2005, which is accessible on-line through www.che.sc.gov
